### **HEARING REQUEST FOR SB1024**

Dear Senator Dela Cruz,

Thank you for considering a public hearing for [SB1024](#) – Relating to Education.

This measure passed out of the Senate Committee on Higher Education ([HRE](#)) today unamended.

A Cannabinoid Medicine Program at the John A. Burns School of Medicine (JABSOM) is long overdue, especially with a nearly twenty-one-year history of the state authorized use of cannabis for medical purposes in Hawaii and 30K registered patients.

I have put my HRE public testimony [here](#) and written testimony [here](#) in case this helps answer questions you may have about this measure.

Please feel free to contact me directly if I can be of any assistance.

Aloha,
