MEDICAL CANNABIS USE AT SCHOOL

Hi Naomi,

I was wondering if you have time to chat this week by phone for a few minutes about [EFH's](#) position on the use of medical cannabis by epilepsy patients at school, and your plans for a resurrected [HB141](#) this upcoming session.

I have an interest in this subject as a certifying provider with Hawaii's Medical Cannabis Program.

Look forward to hearing from you.

Aloha,

Clifton Otto, MD
