HB668 – RELATING TO CONTROLLED SUBSTANCES

Dear Representative Nakashima,

Thank you for introducing [HB668](#). I appreciate all the work that your staff put into preparing this measure, and your willingness to support this important issue.

The conflict with the federal regulation of marijuana is a problem that has been brewing in Hawaii for over twenty years, and I am grateful that the Legislature will be able to consider solutions like the one contained in this bill.

Wishing you and your staff a safe and productive Session.

Aloha,
